President's Message

Worthy Brothers, Family, and Friends, céad míle fáilte, a hundred thousand welcomes, to a new Hibernian year. This year we will continue our fellowship thankful for that which we have received from our Irish heritage as we continue to live in the greatest country so

much influenced by Irish culture, history, and people. We all should look forward to another successful year in the neighborhoods, state, and country that is our own.

As the year progresses, we should remember the unique and central values that Ireland has given us. Whether it is from a time many thousands of years ago, before those who lived at Céide Fields, or from the time of the sorrows of Kilkelly and the Fields of Athenry, or from more recent times, we have Irish tales to tell. This year we will work with the Ladies Ancient Order of Hibernians in order to help bring the Irish light to our wives, sisters, and daughters so that they, too, can make new friends who share in our love of Ireland, and in order to strengthen our families and memories of all things Irish. There is a place and a part in our Order for any Irish-minded person

It promises to be a great evening of authentic German cuisine...Wiener Schnitzel (breaded veal cutlet) and Spaetzle (Swabian noodles or German pasta), with German vegetables and German chocolate cake. Cocktail hour begins at 6:30 PM followed by dinner at 7 PM. The music will start at 8 PM. The band, the Washington Continentals, has played often at Knights of Columbus Oktoberfests as well as for a host of German fraternal organizations in past years; they are extremely popular. The Lake Isle of Innisfree

I will arise and go now, and go to Innisfree.
And a small cabin build there, of clay and wattles made.

Nine bean-rows will I have there, a hive for the honeybee,
And live alone in the bee-loud glade.

And I shall have some peace there, for peace comes dropping slow,
Dropping from the veils of the morning to where the cricket sings;
There midnight's all a glimmer, and noon a purple glow,
And evening full of the linnet's wing.

I will arise and go now. For always night and day
I hear lake water lapping with low sounds by the shore;
While I stand on the roadway, or on the pavement gray,
I hear it in the deep heart's core.
