A Bit of Irish History

Little known Facts About Ireland

The letters **J, K, Q, V** and **Z** are not in the Irish alphabet!

Almost 5 percent of Ireland's milk production goes to making Bailey's Irish Crème Liqueur.

Guinness Stout is always served at room temperature.

There are no direct translations for "yes" or "no" in the Irish language, which would explain why the Irish always respond to a direct question with an explanation.

Since 1969, writers, composers and sculptors have been exempt from paying income tax.

The longest place name in Ireland is Muckanaghederdauhaulia (in County Galway), which translates to "pig marsh between two saltwater inlets."

Ireland has twice as many cattle as people.

Ireland has the highest per-capita rate of tea consumption in the world; drinking tea is such a part of daily life that every pub is required, by law, to provide it.

A good barkeep takes almost two minutes (119.5 seconds) to properly pour a pint of Guinness.

- 2. Two winners at our raffles were (left) Lucy Lindsey of the LAOH Mary Ryan Division (Irish Whiskey) and (right) Jay McCarthy, Past State President (Carton of Guinness).

- 3. A call for Division Organizers to encourage recruiting efforts.
- 4. Mention of contributions for an AOH related stained glass and/or a statue of St. Patrick at the Cathedral of St. Thomas More in Arlington.
- 5. Encouragement of Divisions to review the quarterly reports of other Divisions to gain ideas on recruitment, publicity and fund raising.

Our Division History

The Msgr. Charles Kelly, Jr. Division of the Ancient Order of Hibernians was formed in December, 2009 and conducted its first meeting on January 21, 2010 at St. John Neumann Church, Powhatan, Virginia. The next few meetings were taken up with election of officers and the many procedural items needed to get our group started.

Since that time we continue to grow, adding new members and supporting and donating to Catholic schools and Churches in the area, in line with our commitment to Friendship, Unity and Christian Charity.
